

Make a connection. Help save a life.

Suicide is preventable. Anyone can make a difference.

- Half-day training in suicide alertness skills
- Learn four basic steps to create a life-saving connection
- Widely used by professionals and the general public

safeTALK's impact in 2022

safeTALK works

- ✓ Asking people about suicide directly
- ✓ Connecting them to life-saving resources
- ✓ Keeping them safe until those resources take over

People making a difference with safeTALK
